# Available Features:

- <u>Seller Portal</u>
- Datafeeds / API
- On-site Promotion
- Premium Seller Store

- <u>Curated Marketing programs</u>
- Personalized Post Purchase Email
- Shipped by Newegg Fulfillment
- Newegg Shipping Label Service
- Item Listings

## Seller Portal

**Newegg Marketplace Seller Portal** is a powerful web portal that conveniently offers sellers the access to product management, order fulfillment, and promotion capabilities.

#### Available for: Standard, Professional, and Enterprise

# Datafeeds / API

Newegg marketplace provides the complete integration solutions for sellers to integrate with Newegg Marketplace:

- Datafeeds. Various datafeed templates give sellers the ability to transform their data in batch to Newegg
  - Marketplace for daily operations. Available types:
    - o Item listing/ content update
    - Item price/ inventory Update
    - Order report/ processing

Available formats:

- MS Excel (.xlsx)
- Flat file: Comma-Delimited (.csv) or Tab-Delimited (.txt)
- XML (.xml)
- API. Newegg API service enables you to programmatically integrating with Newegg system. It allows sellers to
  manage Item listing/ content update, Item price/ inventory Update, order report/ processing, return and refund,

and retrieving business report in a real time basis. For more details, please download our API Development Guide: https://sellerportal.newegg.com/Guideline/Newegg\_Marketplace\_API\_DeveloperGuide.zip

#### Available for: Standard, Professional, and Enterprise

#### **On-site Promotion**

**On-site promotions** are powerful tools that can boost visibility and sales for your entire Newegg store or a particular product. On-site promotions include Homepage Banners, placements within the Featured Sellers and Daily Deals sections, and more.

Available for: Standard, Professional, and Enterprise

# Premium Seller Store

**Premium Seller Store** will help sellers to maximize their business by creating dedicated professional-looking store for displaying promotional banners and products. You can access to the store building function in Seller Portal that you can manage and promote your business.

Available for: Professional and Enterprise

# How to Set Up Premium Seller Store

1. Access Seller Portal then open <u>Manage Store</u> > <u>Store Front</u>

2. To get started with setting up store front, follow the steps below:

#### Step 1- Set Top Banner

2.1. Adding banners on the top of your store. A maximum of 4 banners can be added. Click **ADD NEW IMAGE** to create banner.

Store Front		
Set Top Bar	ner	2 Set Categories
<ol> <li>Banner image dimension</li> </ol>	n must be 1920 x 360 pixel	s. Allowed file format .JPG, .JF
+ ADD NEW IMAGE	前 REMOVE IMAGE(S)	

- 2.2. Add title for banner. This will be seen above of your banner.
- 2.3. Adding featured items to your store:
- 2.4. Click ADD IMG to upload banner to Newegg system.

- 2.1. [Optional] Add URL Link for banner if there is landing page available for current banner.
- 2.2. Status: to activate or deactivate current banner.
- 2.3. Set the priority for each banner. This decides the order of banners displaying on your store front.

NEW IMAGE 💼 REMOVI	E IMAGE(S)					
er Title		URL Link		Status	Pric	rity
Mavic Pro Platinum	ADD IMG	//www.newegg.com/Product/Pro	ବ୍ତ	Active •	1	Ŧ
DJI Spark vs Mavic	ADD IMG	//blog.newegg.com/dji-spark-v-m	ବ୍ତ	Active •	1	
DJI Phantom 4 Advance	ADD IMG	//www.newegg.com/Product/Pro	с.	Active •	2	
					3	1

- 2.4. [Optional] Schedule start and end date/time of banner to list on store front page.
- 2.5. Important! At least one active banner is required to proceed further. Click **NEXT** to continue.

#### Step 2- Set Categories

2.6. Select available subcategories that will be displayed under store page. Customers are able to navigate your items under its specific subcategories. To start, select category style. Identify how many category(s) and the format that you would like to display on store front page.

<u></u>	2		4	5
Set Top Banner	Set Categories	Set Featured Items	Set Custom HTML(Optional)	Set Top Navigation(Optional

#### Complete the Setup Process

2.24. Complete the setup with the following options:

- 2.24.1. Click **PREVIEW** if you would like to verify your current configurations/ or updates.
- 2.24.2. Click **SAVE & CLOSE** If you would like to save your update as draft and will come back to edit soon before submitting your requests.
- 2.24.3. Click **SUBMIT FOR APPROVAL** if the setup of your Premium Store Front is completed and ready to go live. **Please note:** 
  - If your requests are not related to "Set Custom HTML (Optional)" then the changes will go live without waiting for approval.
  - If your requests including "Set Custom HTML (Optional)" then all changes will go live after the request was approved.
  - If the status of your request was not updated for more than 7 business days, please contact Newegg team: <a href="mailto:EliteSupport@newegg.com">EliteSupport@newegg.com</a> for assistance.

#### Curated Marketing Programs

Joining Newegg Marketplace as a Professional or Enterprise level seller guarantees eligibility for our **Curated Marketing Programs**. These programs may include social media campaigns, exclusive blog posts, video, and more. Our marketing team assesses eligible sellers and will contact you if you are selected for a curated marketing program.

Available for: Professional and Enterprise

# Personalized Post Purchase Email

When a customer makes a purchase from your store, they are fully engaged with your store. This is a great opportunity to further engage these customers to upsell and cross-sell using our post-purchase email strategy. Our **personalized Post Purchase Email** is available exclusively to Enterprise Sellers and allows you, as the seller, to target your customers, driving brand engagement and return business. Features include audience segmentation, curated email templates, and scheduled email sends.

Available for: Enterprise

#### How to Manage Post Purchase Email

1. Access Seller Portal then open Manage Message > Post Purchase Email

- 2. For creating new messages.
  - 2.1. Click CREATE NEW to start

### Shipped by Newegg Fulfillment

**Shipped by Newegg (SBN)** is an efficient and price-conscious fulfillment service that harnesses the power of Newegg's logistics infrastructure for you. By using SBN sellers can have Newegg house inventory, pick, pack, and ship products on their behalf. With state of the art order fulfillment centers across the country, SBN will help scale your business and reach a broader range of customers. <u>Click here</u> for the detailed information about Shipped by Newegg (SBN)

Available for:

- Standard: service available with regular rate
- Professional: service available with 5% discount rate
- Enterprise: service available with 10% discount rate

#### Newegg Shipping Label Service

**Newegg Shipping Label Service** offers sellers an alternative, cost–effective shipping service compared to other 3rd party shipping services. We provide print-ready shipping labels at a discounted rate. You simply attach the label to the package and ship it.

<u>Click here</u> for the detailed information about **Newegg Shipping Label Service**.

Available for:

- Standard: service available with regular rate
- Professional: service available with 5% discount rate
- Enterprise: service available with 10% discount rate

#### **Item Listings**

Newegg Marketplace encourages sellers to submit their complete inventory of products and make them available for customers to shop. Based on different subscriptions of membership, different item listing limit of items will apply:

• Standard: up to 5,000 items

- **Professional:** up to 25,000 items
- Enterprise: unlimited

#### NOTE:

- New Sellers, registered after October 16, 2017. The new item limitation will begin immediately.
- Existing Sellers, registered before October 16, 2017. No change will be made to seller's currently listings until March 31, 2018. Sellers are required to maintain their item listing count with corresponding level or upgrade their membership to the higher level before March 31, 2018.

# **How to Enroll**

After signup with Newegg Marketplace, you become a Standard seller and ready to do business on Newegg.com. To boost your business, you can upgrade your membership to either **Professional** or **Enterprise** level.

# Upgrade Your Program

To upgrade your membership is easy! Just simply taking the following steps:

1. Access Seller Portal, then open <u>Manage Account</u> > <u>Membership Settings</u>

2. Click **UPGRADE** under the program you would like to enroll.

- 3.2. Next, review the terms and conditions. Check the box of "I acknowledge and agree to these terms and conditions of participation in the Newegg Elite Seller Program." to accept the terms. Click the SUBMIT to complete the upgrade.
- 3.3. When upgrade process is completed, you will receive a confirmation message indicating that the upgrade process is completed. Your subscription to the new program will begin immediately. Your new membership type will be displayed on the Seller Portal for your reference. The additional functions to the marketing tools will appear on your Seller Portal menu.

# Switch Between Different Programs

If your current membership option is not the right one for you, you can switch between different programs. To switch, please contact Newegg Seller Service team at <u>EliteSupport@newegg.com</u> to cancel your current service then you can subscribe again. **Please note:** Initial enrollment in a Professional or Enterprise membership is 6 months with risk-free cancellation thereafter.

# **Contact Us**
