It is your responsibility to convert and provide all prices in Canadian Dollars (CAD).

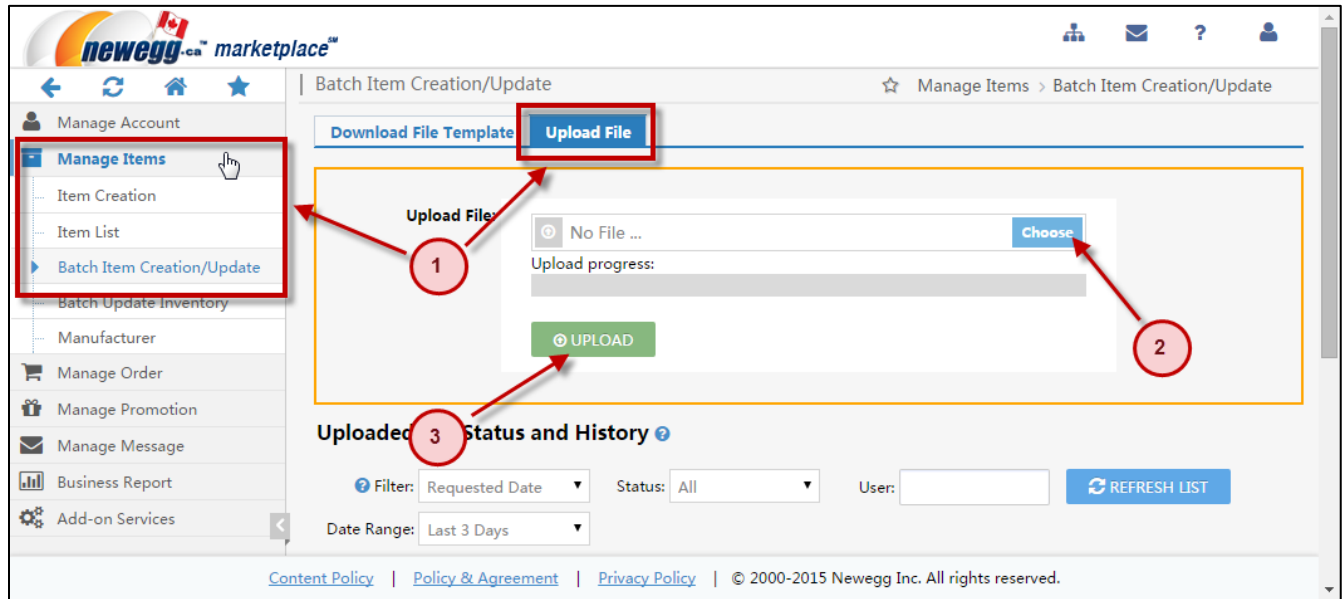

## 2.3. Go to Canada account

1. Click the  icon
2. Select "Newegg.ca"

The screenshot shows the Newegg Marketplace Seller Portal. The top navigation bar includes the Newegg Marketplace logo and several icons. The main content area displays a 'Summary' report with 'Daily Totals' for Orders, Units, and Item Amount. A dropdown menu is open, showing the account selection options: 'Newegg.com', 'NeweggBusiness.com', and 'Newegg.ca'. The 'Newegg.ca' option is highlighted with a red box.

## 2.4. Upload Existing Item Creation Feed to Canada

1. Go to Manage Items>Batch Item Creation/Update>[Upload File]
2. Click the **Choose** button and select the Existing Feed saved on your computer
3. Click the **Upload** button

Time to process data feed may vary depending on item count. The status of the feed can be checked under the **Uploaded File Status and History** section below.

If you have any question regarding this article, please email us at [datafeeds@newegg.ca](mailto:datafeeds@newegg.ca).

#### 3.2. FAQ

- Q) Will system convert my USD price to CAD?
- A) No. All prices must converted and entered in CAD by seller.
- Q) Can I use my US Item Creation data feeds to create items my Canada account?
- A) Yes. You can use the subcategory specific Batch Item Update/Creation Template to create items on your Canada account. However, all price/currency fields should be changed to CAD before uploaded.
- Q) Will item inventory (quantity) for Canada account sync with US account?
- A) No. All inventory and price updates need to be managed separately.
- Q) Are Canada order list and shipping templates the same as US account?
- A) No. Canada Order List file will contain additional fields. For detailed information, please download Order List template from Newegg.ca (Canada) platform.

Q) Will I be responsible for sales taxes?

A) Sellers registered on Newegg.ca (Canada) platform as an **International Seller** are not responsible for taxes. Sellers registered on Newegg.ca platform as **Domestic Seller** are responsible for sales taxes. For further questions, please contact your account representative.

Q) Are Newegg Canada API requests the same as US account?

A) No. Please refer to guide for Newegg Canada API documentation.
